Corner Home Near Clubhouse!

Large 2 bedroom/2-bathroom home with a stylish Tuscan decor throughout. The home features plantation shutters and a combination of wood laminate, tile & carpet flooring in all the right places. Large kitchen with huge center island, custom backsplash, plenty of cabinetry and an R/O system. The home has a formal living/dining room area and an additional family room off the kitchen, perfect for entertaining friends & family. Sizeable guest bedroom with private access to the guest bathroom. Huge primary suite with dual closets and a private bathroom designed for relaxation including a jetted bathtub & large custom walk-in tile shower. The AZ room is ideal as a guest suite, hobby room or home office and provides approx. 500 sq. ft. of additional year-round living space. The extended single-car garage has built-in storage cabinets and a brand-new garage door opener. Interior has been freshly
